Ultra Tech™ Jumbo Roaster

Carico's Ultra Core™ Jumbo Roaster lets you cook like a professional. This all-purpose roaster, with its large dome cover, is ideal for cooking turkeys, holiday hams, and roasts. It is made of the highest grade of T304 stainless steel with titanium to keep it beautiful, sanitary and easy to clean. This roaster comes equipped with a rack for ease in handling large turkeys and roasts.

CNTTROST

Ultra Tech™ 14" Wok with Cover

Smartly styled and durable - this easy care stainless steel Ultra Core™ "Plus" Wok with encapsulated bottom is your perfect choice for stir-frying, steaming or making tempura. The unique temperature control and whistle valve also makes it ideal for healthy, low heat, minimum moisture cooking.

CNTTWOK

*13" Jumbo Stainless Steel Electric Skillet with High Dome Cover
Fully Immersible 120v/220v*

Features an immersible carbon core and liquid oil core to provide even heat distribution and superior heat retention throughout the entire pan. Use it to fry, saute, roast, pan broil, braise and stew conveniently. This stainless steel electric skillet has a flat high dome cover and side handles. It will become a staple in your kitchen for years to come!

120 Volt - CNTTELSKC

220 Volt - CNTTELS2

Ultra-Cut Food Cutter

Just a few easy turns and the job is done. From chopping vegetables to making coleslaw, this high quality food cutter shreds, slices, waffles and chops... to make it all! Comes with 5 stainless steel cones.

CNTCUTU

Ultra Tech™ Paella Pan

This 18" stainless steel Ultra Core™ oversized Paella Pan is designed to quickly conduct and maintain heat for making the perfect rice dishes. It is also ideal as an all-purpose pan to sauté meats, fish, and vegetables. You will treasure this pan for generations. **CNTTPAEL**

13.5" Ultra Tech™ Grill & Roaster with Cover

Meats, poultry and vegetables will cook to perfection in this large heavy-duty grill/roaster pan with encapsulated bottom. It features a large dome lid to accommodate whole roasts, chicken or turkey and has sturdy handles for easy lifting. **CNTGRILL**

Make entertaining and big meals simple. Ideal for roasts, chicken, turkey, stews, pasta, sauces and soups. Created with the highest grade of surgical stainless steel, these Ultra Core™ stockpots with heavy encapsulated bottoms provide great heat conductivity and are made to last for generations.
